

KARUNA KARN

karnkaruna28@gmail.com | +91 7488169503

PROFESSIONAL SUMMARY

Aspiring Frontend Developer with strong skills in HTML, CSS, JavaScript, Git, and GitHub. Experienced in building responsive and user-friendly web applications through hands-on projects. Currently expanding expertise in React.js, Node.js, Express.js, and MySQL with a goal of becoming a Full Stack Developer. Strong problem-solving mindset with a passion for creating impactful digital experiences.

PROJECT EXPERIENCE

- AI Interview Simulator

Developed an interactive interview preparation platform using HTML, CSS, JavaScript, and modern web development practices.

Designed responsive user interfaces and implemented dynamic user interactions.

Focused on performance optimization and improved user experience across devices.

- Smart Room Designer

Built a room planning and visualization application with responsive layouts and interactive design features.

Implemented DOM manipulation, event handling, and structured UI components.

Applied frontend best practices to create an intuitive and engaging user experience.
